Product specification

Manufacturer	BLUE DOLPHIN	Unit	pcs
Brand	blue dolphin	EAN	5907758536612

Blue Dolphin Washi Tape for Delicate Surfaces is made only from rice paper, which makes it very thin and at the same time extremely durable and does not absorb moisture. It is equipped with a special blocker that prevents paint from leaking, thanks to which the edge of the cut colors looks impressive.

Properties of Washi Tape for Delicate Surfaces:

- wallpapers;
- laminates;
- freshly painted walls (24H).
