

Urinal tap, self-closing Press

Manufacturer	
Weight	0.46 kg
Product Code	BCH_098L
EAN	5908212051023
SKU	001701
IBB ID	11689

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212051023	Additional characteristics	cool-out
Acoustic group [dB]	II (20 < x ≤ 30)	Frame height adjustment [mm]	200
Aerator size	M28	Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	klasa 1.5
Material	ZnAl	Mixer type	press
Installation method	flush-mounted	Connection diameter	50
Total height of the battery [mm]	190		

Press taps close the water flow automatically after a specified time from switching on. The solution is intended in particular for use in public spaces, restaurants, hotels or gas stations, i.e. wherever we want to reduce wasting water.
