

# Washbasin tap, with a lever, for cold or mixed water

Manufacturer	
Weight	0.88 kg
Product Code	BEZ_020L
EAN	5907650873662
SKU	001732
IBB ID	11806

## Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650873662	Additional characteristics	cool-out
Acoustic group [dB]	II (20 < x ≤ 30)	Frame height adjustment [mm]	200
Aerator size	m24	Aerator type	honeycomb
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	a - 9.1-15 l/min
Material	ZnAl	Mixer type	for cold water. to mixed water
Installation method	standing	Connection diameter	50
Total height of the battery [mm]	124		

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.

Cold or mixed water taps are a universal solution. Depending on your needs, they can be mounted in the bathroom, in the kitchen, but also in utility rooms, both heated all year round and unheated. The tap is equipped with a ceramic cartridge, which ensures tightness and durability even under low thermal conditions. High-quality brass is a guarantee of long product life. At the same time, the chrome finish makes the whole look elegant.
