

## Washbasin tap, wall-mounted, for cold or mixed water

Manufacturer	
Weight	0.25 kg
Product Code	BEZ_122L
EAN	5908212023280
SKU	001736
IBB ID	11810

### Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212023280	Additional characteristics	cool-out
Acoustic group [dB]	II (20 < x ≤ 30)	Frame height adjustment [mm]	200
Aerator size	m19.5	Aerator type	other
Ceramic cartridge size	1/2'	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	a - 9.1-15 l/min
Material	ZnAl	Mixer type	to cold water
Installation method	wall	Connection diameter	50
Total height of the battery [mm]	89		

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.

Cold or mixed water taps are a universal solution. Depending on your needs, they can be mounted in the bathroom, in the kitchen, but also in utility rooms, both heated all year round and unheated. The tap is equipped with a ceramic cartridge, which ensures tightness and durability even under low thermal conditions. High-quality brass is a guarantee of long product life. At the same time, the chrome finish makes the whole look elegant.
