

Washbasin tap Temisto

Manufacturer	
Weight	1.54 kg
Product Code	BQT_021D
EAN	5908212075913
SKU	001853
IBB ID	12703

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212075913	Additional characteristics	cool-out
Acoustic group [dB]	I (x ≤ 20)	Frame height adjustment [mm]	200
Aerator size	m18.5	Aerator type	floating honeycomb
Ceramic cartridge size	1/2'	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	a - 9.1-15 l/min
Installation thread	3/8'	Material	stainless steel
Mixer type	two-handle	Installation method	standing
Plug included in the set	yes	Range of tap spout [mm]	135
Spout type	rotary	Connection diameter	50
Total height of the battery [mm]	210	Type	with overflow

Washbasin tap

The mixer body is made of the highest quality brass

The mixer is equipped with a stream aerator

The movable aerator allows you to direct the water stream

The mounting sleeve facilitates the installation of the mixer

45 cm connection hoses included

Functional click-clack plug included

Hand-crafted elements

Design that connects the past with the future

Only the best materials, the quality of which has been confirmed by laboratory tests

The offer includes a cleaning agent for fixtures in all colors

The mixer is equipped with a stream aerator

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.

The movable aerator allows you to direct the water stream

The movable aerator allows you to direct the stream of water and aerates it at the same time. This translates into less use of this valuable resource, while maintaining the comfort of using the mixer.

Functional click-clack plug included

The Click-Clack plug is a convenient and very elegant way of closing the drain. Unlike manual plugs with a cable, it is not connected to the tap. To close or open the drain, just press the plug with your finger. Simple? Simple as Click-Clack! When choosing a tap with a click-clack plug, remember to pay attention to whether you have a sink with or without an overflow and whether the plug you chose is suitable.

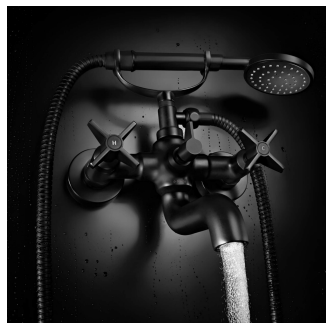

Hand-crafted elements

In the Temisto collection, individual elements are developed by hand, with care and commitment. These mixers are unique, utilitarian works of art.

Design that connects the past with the future

The mixer collection combines style with modern technology. The taps and rain shower in this series refer to the retro climate, attract attention with stylized knobs, and at the same time boast a very modern covering technology.

The offer includes a cleaning agent for fixtures in all colors

The agent is intended for taps in all finishes. Thanks to its special formula, it does not leave streaks, scratches or matting on the cleaned products. The preparation is perfect for the care of demanding black fittings, preserving its original appearance for many years.
