

Concealed BOX body, mixer, with shower switch Box

Manufacturer	
Weight	1.30 kg
Product Code	BXY_M44M
EAN	5908212092217
SKU	001881
IBB ID	12956

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212092217	Additional characteristics	cool-out
Acoustic group [dB]	I (x ≤ 20)	Frame height adjustment [mm]	200
Aerator size	M28	Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	b - 19.9-25.2 l/min
Material	ZnAl	Installation method	flush-mounted
Connection diameter	50		

You gain access to the internal mechanism of Box, even after the installation is complete. The lockable casing protects the mixer mechanism during construction works.

All elements are made of high-quality materials: brass with the best properties and high-quality plastic.

The universal construction of the BOX allows you to replace the classic mixer tap with a thermostatic one at any time and vice versa. In the future, you can easily change the arrangement by replacing external elements.

You can easily match bathroom faucets from the same series and complementary products to the external components of the BOX - rosettes and levers.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for a long time, facilitating another cleaning. A specially selected composition removes the most common dirt very effectively. On the other hand, the preparations are mild for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus harmless for the environment. With Deante cleaning products, keeping things in order will be very easy!
