

# Bathroom tower - modular system Correo

Manufacturer	
Weight	4.65 kg
Product Code	CKC_N20A
EAN	5908212099087
SKU	001949
IBB ID	11786

## Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212099087	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Adjustable legs	Yes	Ceramic cartridge size	35 mm
Adjustment range from [mm]	700	Connection thread	m8
Flow class [l/min]	z - 4-9 l/min	Material	stainless steel
Installation method	standing	Height [mm]	760
Connection diameter	50	Surface type	matt
Shelves sold separately	Yes		

Create your own set by combining elements and colors. Individual products can be joined according to your imagination, which allows you to get various stylistic results and gives the possibility of quick bathroom makeover. The special construction of the narrower post allows you to even hang it on the wall. Various dimensions, a wide palette of colors and a classic, unified design will help create a unique composition.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for for a long time, facilitating daily cleaning. A specially selected composition removes the most common dirt very effectively. On the other hand, the preparations are delicate for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus harmless for the environment. With Deante cleaning products, keeping things in order will be extremely easy!

Both the steel from which the console is made and the natural stone used in of the production of granite products are long-lived materials that are designed to serve for many years.
