

Shower door, recessed - hinged Zoom

Manufacturer	
Weight	27.00 kg
Product Code	KDZ_411D
EAN	5908212026106
SKU	001971
IBB ID	11910

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212026106	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	ZnAl	Height [mm]	1850
Connection diameter	50	Glass finish	graphite
Reversible door	Ye	Silent closing	Yes
Possibility of installation without a shower tray	Yes		

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating another cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are delicate for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus safe for the environment. With Deante cleaning products, keeping things in order will be very easy!

The covers hide the unsightly assembly elements, adding elegance to the cabins.

Tempered glass has a harder surface and is more resistant to scratches, impacts and sudden temperature changes - in accordance with the European standard PN-EN. In addition, it is safe glass, (which is certified) by the Certificate from the Institute of Glass and Ceramics.

The glass in the cabins has been covered with the innovative Active Cover hydrophobic coating, which repels water molecules from the glass surface and thus significantly reduces the formation of scale. The coating is applied during the production of glass, which provides its long durability and reliability.

The profile system makes it possible to level the curvature of the walls and helps to adjust the cabin to the place of installation.
