

# Washbasin waste kit, round

Manufacturer	
Weight	0.68 kg
Product Code	NHC_D31K
EAN	5908212097595
SKU	002210
IBB ID	12233

## Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212097595	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	ZnAl	Connection diameter	32
Shape	round	Decorative trap	Yes
Drain diameter	1 1/4"	Color of external elements	titanium
Siphon type/construction	bottled		

The graphite-steel surface of Deante Titanium fittings is the result of the use of innovative technology. It is a spectacular compromise between gray, dark graphite, black and even a delicate shade of brown - the perfect decoration of any interior arrangement. The surface structure is durable, easy to clean and is not susceptible to fingerprints.

The attestation given by the National Research Institute - the National Institute of Public Health of PZH ensures that the products covered by it meet the highest hygiene requirements. They are safe for both health and the environment.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for for a long time, facilitating daily cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are mild for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus harmless for the environment. With Deante cleaning products, keeping things in order will be extremely easy!
