

Wall-mounted grab bar - 60 cm Vital

Manufacturer	
Weight	1.20 kg
Product Code	NIV_641C
EAN	5907650822943
SKU	002226
IBB ID	12353

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650822943	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	carbon steel	Depth [mm]	117
Height [mm]	80	Connection diameter	50
Surface type	glossy		

Wall-mounted grab bar - 60 cm

Only the best materials, the quality of which has been confirmed by laboratory tests

A dual-purpose product that is more than just a wall railing

Safety

Maximum load capacity 150 kg

Easy to keep clean

Dedicated cleaning agent, safe for cleaned surfaces

A dual-purpose product that is more than just a wall railing

The dual use of accessories is especially important in small bathrooms, where each additional equipment takes up valuable space. That is why we combined shelves and hangers with strong wall rails. Their main role is to help the elderly or people with limited mobility to use the bathroom on their own. However, they will be appreciated by anyone who has slipped on a wet floor at least once. A well-thought-out design integrates the handrails visually with other elements, making them invisible to other persons, e.g. guests.

Safety

The product reduces the risk of falls and slips.

Maximum load capacity 150 kg

The maximum weight load of the product is 150 kg.

Easy to keep clean

The uniform and smooth surface facilitates cleaning and maintaining hygiene.

Dedicated cleaning agent, safe for cleaned surfaces

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating another cleaning. A specially selected composition removes the most common dirt very effectively. On the other hand, the preparations are mild for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus harmless for the environment. With Deante cleaning products, keeping things in order will be very easy!
