

Steel sink with tap, 1-bowl Twist

Manufacturer	
Weight	2.30 kg
Product Code	ZHCA0813
EAN	5908212055717
SKU	002303
IBB ID	12976

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5908212055717	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Finish	chrome
Flow class [l/min]	a - 9.1-15 l/min	Antibacterial	YES
Material	steel 211	Depth [mm]	170
Diameter [mm]	490	Mixer type	single-lever. mixed
Installation method	standing	Plug type	manual
Height [mm]	170	Connection diameter	50
Cut out diameter recessed	470	Dishwasher possibility	YES
Surface type	satin. brushed	Drain diameter	3.5"
Number of sink compartments	1		

The sink of stainless steel is resistant to temperatures up to 250 degrees Celsius, thermal shock and impacts to thermal shock and high temperatures up to 250 degrees Celsius and impact. Stainless steel used for the production of sinks contains 18% chrome, which provides high chemical resistance and 10% nickel, which additionally elasticity. Such a combination results in a beautiful, elegant and durable color. Stainless steel is easy to clean, repels germs from the surface. The antiseptic coating guarantees a high level of hygiene and is easy to clean.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for for a long time, facilitating daily cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are mild for a given

type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus harmless for the environment. With Deante cleaning products, keeping things in order will be extremely easy!

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.
