

# Linear drain, floor, 60 cm - Reversible

Manufacturer	
Weight	2.50 kg
Product Code	KOS_006D
EAN	5907650879138
SKU	002713
IBB ID	12271

## Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650879138	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Reversible drain	Yes	Material	stainless steel
The siphon is cleaned from the top	Yes	Connection diameter	50
		The set includes legs for easy leveling	YES
Siphon included	Yes		

The attestation given by the National Research Institute - the National Institute of Public Health of PZH ensures that the products covered by it meet the highest hygiene requirements. They are safe for both health and the environment.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating daily cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are mild for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus safe for the environment. With Deante cleaning products, keeping things in order will be very easy!

The reversible drain is is by its universality, it can be installed in two ways: with a full grate or finished with tiles, which makes it almost invisible. Other unique features of this product are its high throughput and ease of cleaning.
