

Movable panel, for Kerria Plus cabins Kerria Plus

Manufacturer	
Weight	14.45 kg
Product Code	KTSXN72P
EAN	5907650813262
SKU	002959
IBB ID	12244

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650813262	Active cover layer	YES
Additional characteristics	cool-out	Frame height adjustment [mm]	200
Aerator size	M28	Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	ZnAl	Installation method	to be combined with kts shower doors. to be completed with walk-in kts
Height [mm]	2000	Connection diameter	50
Shape	rectangular	Glass finish	transparent

The glass in the cabins has been covered with the innovative Active Cover hydrophobic coating, which repels water molecules from the glass surface and thus significantly reduces the formation of scale. The coating is applied during the production of glass, which provides its long durability and reliability.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating daily cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are delicate for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus safe for the environment. With Deante cleaning products, keeping things in order will be very easy!

Crystal clear, safety tempered glass with low iron oxide content. It gives a feeling of refinement and perfectly exposes the fittings inside the cabin.
