The black, matte surface of Deante Nero fittings is the result of the use of innovative technology. Its special properties mean that there are no fingerprints on the tap. The surface structure is durable and easy to clean. To remove any dirt, just wipe the tap with a soft cloth. What's more, arranging the interior using a deep black fittings makes the colors surrounding it brighter, fuller and more expressive.

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.

The flow class with means that within a minute the tap flows between 4 and 9 liters of water. The stream is also comfortable to use, delicate and soft. This solution is ideal wherever you pay attention to ecological and economic responsibility - which also means your home!
