

# Bidet tap Silia

Manufacturer	
Weight	1.02 kg
Product Code	BQS_F30M
EAN	5907650818304
SKU	003240
IBB ID	12644

## Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650818304	Additional characteristics	cool-out
Acoustic group [dB]	I (x ≤ 20)	Frame height adjustment [mm]	200
Aerator size	M28	Aerator type	coin-slot
Ceramic cartridge size	25 mm	Adjustment range from [mm]	700
Connection thread	m10	Flow class [l/min]	z - 4-9 l/min
Installation thread	3/8"	Material	brass
Mixer type	single-lever. mixed	Installation method	standing
Range of tap spout [mm]	120	Spout type	still
Connection diameter	50	Total height of the battery [mm]	164

Silia mixers are a reinterpretation of one of the most classic models in the history of bathroom taps. The entire series is based on the shape of a pipe bent into arches, thanks to which the products are streamlined and rounded. Thanks to its simplicity and wide range of colors, the whole series is extremely refined. They can be used by fans of minimalist bathrooms as well as those in more expressive styles, such as Gentle Loft, Japandi or Art. Deco.

The tap is equipped with an aerator, thanks to which the water stream is perfectly aerated and soft. This solution improves the comfort of use, while limiting water consumption, which translates into lower utility bills. You are also contributing to taking care of our planet.

The flow class with means that within a minute the tap flows between 4 and 9 liters of water. The stream is also comfortable to use, delicate and soft. This solution is ideal wherever you pay attention to ecological and economic responsibility - which also means your home!
