

Shelf, ribbed Silia

Manufacturer	
Weight	1.19 kg
Product Code	ADI_F531
EAN	5907650823728
SKU	003358
IBB ID	13265

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650823728	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	brass	Depth [mm]	246
Height [mm]	89	Connection diameter	50
Surface type	brushed		

It is a sublime product that will help you keep order in the bathroom, while being a sophisticated decorative element. Silia accessories, despite their minimalist form, are well thought out and functional. All models are stylistically consistent and harmonious, providing the bathroom with an attractive appearance and maximum arrangement possibilities.

Perfectly hidden mounting elements give a mysterious character. A complete installation kit is included.

Accessories are made of high quality brass, making them solid and durable. It is a material resistant to moisture and corrosion. The refined form and an extremely effective finish ensure the durability of the product.

Perfectly smooth surfaces are very easy to keep clean. Just wipe them with a soft, damp cloth. By using the appropriate preparations from the Deante offer, you can be sure that the accessories will decorate the bathroom for many years.

The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating another cleaning. A specially selected composition removes the most common dirt extremely effectively. On the other hand, the preparations are mild for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus safe for the environment. With Deante cleaning products, keeping things in order will be very easy!
