

Deante Mokko triple black hook for mounting on the shower cabin window

Manufacturer	
Weight	0.18 kg
Product Code	ADM_N13K
EAN	5907650828808
SKU	003387
IBB ID	12727

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650828808	Additional characteristics	cool-out
Frame height adjustment [mm]	200	Aerator size	M28
		Aerator type	coin-slot
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	z - 4-9 l/min
Material	steel	Depth [mm]	58
Glass protection	YES	Height [mm]	57
Connection diameter	50	Surface type	matt

Deante Mokko triple black hook

- At Deante, we are aware of the threats facing the natural environment and the dwindling resources of the planet. That is why we produce bathroom accessories according with the idea of Less Waste. This means that we use available materials as much as possible. As a result, waste is reduced to the absolute minimum.
- The use of dedicated agents means that the surfaces do not deteriorate and remain smooth for long, facilitating another cleaning. A specially selected composition removes the most common dirt very effectively. On the other hand, the preparations are delicate for a given type of surface (metal, granite, ceramics and others), without entering into chemical reactions with them. The preparations are biodegradable and thus safe for the environment. With Deante cleaning products, keeping things in order will be very easy!
