

Lightweight aircrete block SOLBET OPTIMAL PLUS

500 240mm

Manufacturer	
Weight	20.60 kg
Product Code	OPTIMAL PLUS
EAN	2255402324980
SKU	003457
IBB ID	344

Product specification

Manufacturer	SOLBET	Unit	pcs
EAN	2255402324980	Coverage	7,06 pcs/m ²
Thermal conductivity [W/mK]	0.52		

Aerated concrete SOLBET Optimal Plus 24 cm class 500 These blocks have a tongue and groove system

SOLBET OPTIMAL PLUS 500 24 blocks aerated concrete

Width (thickness) - 240mm

Height - 240mm

Length - 590mm

Class/Density/Variety - 500

Mounting system: glue for thin joints or mortar

Dimensional tolerance - TLMA

Purpose: multi-layer structural walls

Consumption - 7 pcs. m²

Quantity on a pallet - 48 pieces

Strength - 2.5 N/mm²

Heat transfer coefficient - 0.52 W/m²K

Reaction to fire - Euroclass A1

Fire resistance - REI 240
