

Bath mixer, wall-mounted Arnika

Manufacturer	
Weight	2.00 kg
Product Code	BQA_N10N
EAN	5907650827993
SKU	003519
IBB ID	13361

Product specification

Manufacturer	DEANTE	Unit	pcs
EAN	5907650827993	Additional characteristics	cool-out
Acoustic group [dB]	I (x ≤ 20)	Frame height adjustment [mm]	200
Aerator size	m24	Aerator type	silicone
Ceramic cartridge size	35 mm	Adjustment range from [mm]	700
Connection thread	m8	Flow class [l/min]	s - 15.1-19.8 l/min
Material	brass	Mixer type	single-lever. mixed
Installation method	wall	Plug included in the set	yes
Range of tap spout [mm]	177	Spout type	still
Connection diameter	50	Total height of the battery [mm]	206

Delicate, minimalist, and above all beautiful and intriguing - this is the Arnika line, inspired by the Danish hygge style. The Arnika series combines functionality and inspiration with gentle shapes found in nature.

This perfect form is available in many finishes: classic chrome, majestic gold, noble black and intriguing deep gray - titanium.

The silicone aerator adds air to the water stream, and at the same time gives the ability to easily remove lime sediment - just wipe its silicone edges with your finger.

A discreet, yet very ergonomic function switch that allows you to change the flow of the water stream even at low pressure.

The black, matte surface of Deante Nero fittings is the result of the use of innovative technology. Its special properties mean that there are no fingerprints on the tap. The surface structure is durable and easy to clean. To remove any dirt, just wipe the tap with a soft cloth. What's more, arranging the interior using a deep black fittings makes the colors surrounding it brighter, fuller and more expressive.
