### 3 Section Folding Wooden Loft Ladder FAKRO LWK-280 Komfort 55x111cm

The LWK Komfort loft ladder has been specially designed to ensure ease of use and it has a high insulation value.

Minimum ceiling height requirements for 280cm:

- 232cm for a 3 section loft ladder

Minimum ceiling height requirements for 305cm:

- 246cm for a 3 section loft ladder

As well as offering quick installation, the ladder is equipped with an aesthetically pleasing smooth white finish to the white and a handrail as standard.

As the hatch is opened the hinge moves it away from the ladder thus increasing space for added convenience.

The ladder comes complete with stile ends (only 3 section version), a white hatch, peripheral seal, a handrail and non-slip treads set flush with ladder strings.

Technical specification:

Permissible load of 160kg.

A heat transmission co-efficient U-Value = 1.1w/m<sup>2</sup>k with insulation thickness of 3cm.
