Product specification

Manufacturer	QBRICK SYSTEM	Unit	pcs
Colour	black	EAN	5901238257202

A new model of a large mobile transport box on wheels. Increased load capacity and capacity allows for comfortable transport of heavy and bulky tools/elements.

Dimensions (mm): 641[L] x 485[W] x 660[H] mm

Capacity: 52 l

Load capacity: 100 kg

Advantages:

Two large (22.3 cm in diameter) overrun wheels mounted on a metal axle covered with a thick layer of rubber provide excellent and quiet traction even in very difficult conditions

Telescopic, removable aluminum handle

The simple mechanism of the extendable handle on the double telescope locks with a light tap on the handle from underneath.

Solid construction

A large and handy tray

Set contents:

2 adjustable compartments and 2 trays. The whole thing is secured with a high-quality seal, which ensures best-in-class protection at the IP66 level.
