

Floodlight ANTEM LED 100W-NW B

Manufacturer	
Weight	1.10 kg
Product Code	33204
EAN	5905339332042
SKU	003828
IBB ID	13685

Product specification

Manufacturer	KANLUX	Unit	pcs
EAN	5905339332042	Color	black
Colour-rendering index Ra	80	Energy efficiency class	F
Model	ANTEM	Rated power [W]	100
IP class	65	Total rated luminous flux [lm]	9500
Light colour	NW	Rated voltage [V]	220-240 AC
Lighting angle [°]	100		

Kanlux ANTEM is a series of LED floodlights. These floodlights are above all easy to connect, and thanks to the integrated junction box you can also avoid unaesthetic cable connections. Kanlux ANTEM LED series provides a wide range of power options, from 10 W to 100 W, as well as versions with and without motion sensors. A milky lampshade with a delicate prism softly disperses light and reduces the glare effect. The version without a motion sensor has a tightness of IP65, while the one with a sensor has a tightness of IP44. The sensor can be adjusted in terms of light duration, light intensity and detection range.
