

Floodlight with motion detector ANTEM LED 20W-NW-SE B

Manufacturer	
Weight	0.30 kg
Product Code	33206
EAN	5905339332066
SKU	003830
IBB ID	13687

Product specification

Manufacturer	KANLUX	Unit	pcs
EAN	5905339332066	Color	black
Colour-rendering index Ra	80	Energy efficiency class	F
Model	ANTEM	Rated power [W]	20
IP class	44	Total rated luminous flux [lm]	1600
Light colour	NW	Rated voltage [V]	220-240 AC
Lighting angle [°]	100		

Kanlux ANTEM is a series of LED floodlights. These floodlights are above all easy to connect, and thanks to the integrated junction box you can also avoid unaesthetic cable connections. Kanlux ANTEM LED series provides a wide range of power options, from 10 W to 100 W, as well as versions with and without motion sensors. A milky lampshade with a delicate prism softly disperses light and reduces the glare effect. The version without a motion sensor has a tightness of IP65, while the one with a sensor has a tightness of IP44. The sensor can be adjusted in terms of light duration, light intensity and detection range.
