

# Floodlight FL SOLNAR SLR 8W NW-B

Manufacturer	
Weight	0.74 kg
Product Code	36605
EAN	5905339366054
SKU	003833
Advice IBB	
Application	solar powered floodlight with motion detector
IBB ID	13690

## Product specification

Manufacturer	KANLUX	Unit	pcs
EAN	5905339366054	Colour-rendering index Ra	80
Energy efficiency class	-	Model	SOLNAR
Rated power [W]	8	IP class	54
Total rated luminous flux [lm]	max 800	Rated voltage [V]	220-240 AC

The Kanlux FL SOLNAR luminaire is a solar powered floodlight. The power of the floodlight is 8W, and its luminous efficiency is 100lm/W (when the luminaire is fully charged). IP54 allows you to install the floodlight in conditions of increased dust and moisture, as well as outdoors in places that are not roofed. The adjustable adapter makes it possible to mount the luminaire and the solar panel separately. The floodlight is equipped with a motion sensor.
