Exciting news! The training season is officially here, and we are thrilled to announce that our company is hosting a series of courses that you won't want to miss! In order to sign up please purchase the training via our website then you will be automatically signed up, after this training you will receive a **Atlas Certificate** only if present at the training. **Entry ticket for the training is per person. If you turn up at the training you can spend your 24 GBP for any EWI products for testing purposes. This applies only if you turn up at the course.**

**19th April - IBB Birmingham 10:00 am**

**20th April - IBB Park Royal 10:00 am**

This training contains:

- Getting acquainted with the production potential of the Producer
- Policy of supporting Contractors by IBB
- Presentation of a wide range of products with an emphasis on EWI products
- Description of BBA certification conditions and warranty policy
- Selection of appropriate products for an individual investment
- Proper surface preparation
- Technology of applying individual layers
- Discussion of implementation errors
- Shows
- Certification of contractors
- Spray application technology

Whether you're a beginner looking to acquire new skills or an experienced professional seeking to enhance your knowledge, our training programs are tailored to suit your needs. Don't miss out on this incredible opportunity to learn from industry experts and expand your horizons.
