IBB ID	9575

Product specification

Manufacturer	SELENA	Unit	pcs
Brand	tytan professional	EAN	5902120170593

TYTAN Fast assembly glue FIX2 GT 290ML White

Tytan Professional FIX2 GT mounting adhesive is a product intended for use in hybrid polymer versions with initial and accelerated action during hardening. It creates a very required performance that can be loaded in just about 30 hours, and is complete in just about 3 hours. The second part of vibration damping is produced, which is used with interchangeable atmospheric conditions, UV and diluted chemicals.
