

Reinforcing fibreglass render mesh 1x55m ATLAS 150g

Brand	ATLAS
Manufacturer	
Weight	0.15 kg
Product Code	SI-150
EAN	5905400196993
SKU	5538
IBB ID	5538

Product specification

Manufacturer	ATLAS	Unit	m2
Brand	atlas	Colour	yellow
EAN	5905400196993	Relative air humidity during application and curing	< 80%
Density of the finished product	ca 1.9 g/cm3	pH	8

ATLAS 150 - fibreglass mesh element of the ATLAS thermal insulation system

The most important features:

weight 150 (-3/+10%) g/m2

alkali resistant

durable elastic

on the walls on the walls outside outside

Description: For embedding in the adhesive layer when making insulation in ATLAS systems

Glass fibre mesh, after embedding in adhesive, for the reinforcement layer of the thermal insulation system
