Product specification

Manufacturer	WONDER GRIP	Unit	pair
Colour	black	EAN	6959234407762
Country of manufacture	Poland		

The Wonder Grip® WG-333 Rock & Stone is a glove with a double latex coating constructed on a 10-gauge cotton and polyester liner.

HDML™ coating specially developed by Wonder Grip® offers a non-slip surface for an outstanding grip.

This unique product, specially designed for heavy work, combines:

- Triple resistance: heat, cold, cut (level B ISO 13997)
- Robust protection
- Non-slip surface for exceptional grip

KEY FEATURES

- ✓ Soft yet robust technical liner, engineered to offer protection against the cold and heat, as well as cut level B protection
- ✓ Exceptional anti-wear properties and double protection against thermal hazards, thus outmatching similar products
- ✓ Extremely durable latex coating with increased resistance around the thumb for extended use
- ✓ Designed to reproduce the natural shape of the hand, for ease of movement and continuous wear

TYPE OF PROTECTION

- General purpose
- Cut resistance
- Cold resistance
- Heat resistance

APPLICATIONS

- Agriculture
- Construction-and-public-works
- Public authorities
- DIY

- Mining industry
