Compatibility with an electric heater	Yes	Connection size [mm]	565
		Connection type	bottom
Range name	poppy	Material	steel
Max working pressure [MPa]	0.7	Maximum operating temperature [°C]	95
Power [W]	774	Suggested heater power [W]	900w
Volume [m3]	5.4		

Meet handy and compact ladder radiator POPPY. Perfect for the bathroom. It is distinguished by the alternating arrangement of horizontal profiles, which are once pushed forward and then moved back. This adds spaciousness. Thanks to the closed form, the radiator corresponds perfectly with the geometric accents of the arrangement. One-colour, but available in over

twenty colors, it harmonizes with almost any interior - modern and traditional. Cooperation with an electric heating element allows you to use the heater all year round.
