

# Bathroom towel radiator VIVAT VIV-180/23C31 bottom/50 black matt

Brand	VIVAT
Manufacturer	
Dimension	675 x 1800 x 124mm
Weight	59.80 kg
Product Code	VIV-180/23C31
EAN	5905253396663
SKU	001106
IBB ID	10965

## Product specification

Manufacturer	Instal Projekt	Unit	pcs
Brand	vivat	Colour	black mat C31
EAN	5905253396663	Dimension	675 x 1800 x 124mm
Atest	Nr NDWU/1/VIVAT/2022	Fire resist	A1
Warranty	3	Norm	EN 442-1:2014
Approx. heated area [m2]	16.5	Compatibility with an electric heater	No
Connection size [mm]	50	Connection type	bottom
Range name	vivat	Material	steel
Max working pressure [MPa]	0.4	Maximum operating temperature [°C]	95
Power [W]	1831	Volume [m3]	15.0

### Bathroom towel radiator VIVAT VIV-180/23C31 bottom/50 black matt

VIVAT is a modular decorative radiator with the option of almost any size and appearance modification. This makes it a radiator suitable for any room and arrangement. However, it looks best in a modern interior - there its elegance impresses the most. It consists of vertical, narrow profiles connected in a simple but effective way. Keeps you warm in style! Works when connected to a central heating system.

It effectively uses the available thermal energy, heating up quickly and evenly.

In the VIVAT X variant, it has an increased heating power thanks to an additional row of profiles.
