

Thermostatic sensing valve head PRESTIGE VT-CHROM GS.04 RA-N

Manufacturer	
Weight	0.40 kg
Product Code	000M638A102
EAN	5901549219609
SKU	001147
Application	Dedicated for Tubus radiators with V-type connection.
IBB ID	11003

Product specification

Manufacturer	Instal Projekt	Unit	set
Colour	hrome	EAN	5901549219609
Atest	Nr 01/VT/CE/20	Warranty	15 years
Approx. heated area [m2]	88364	Max working pressure [MPa]	1
Maximum operating temperature [°C]	95	Power [W]	1589
		Volume [m3]	5

Thermostatic sensing valve head PRESTIGE VT-CHROM GS.04 RA-N click

Dedicated thermostatic head enables temperature regulation of radiators connected to central heating system.
Dedicated for Tubus radiators with V-type connection.
