

## Gypsum filler CEKOL C-45 20kg

Brand	CEKOL
Manufacturer	
Country of manufacture	Poland
Weight	20.00 kg
Product Code	C-45
EAN	5906474450202
SKU	000074
IBB ID	9198

### Product specification

Manufacturer	CEDAT	Unit	bag
Brand	cekol	Colour	white
EAN	5906474450202	Country of manufacture	Poland

### Gypsum filler CEKOL C-45 20kg

CEKOL C45 is an excellent material for preparing walls and ceilings inside buildings before painting, wallpapering, etc. Also for renovating old plasters, plastering entire walls, filling plasterboards (for grouting and filling scratches and cracks, it is recommended to use special CEKOL C-40 plastering mortar reinforced with fibres). The CEKOL C-45 putty makes it possible to make very smooth surfaces. Thanks to the modernized formula, it is suitable for manual and machine application.
