

Mineral render CEKOL C-35 white smooth 20kg

Brand	CEKOL
Manufacturer	
Country of manufacture	Poland
Weight	20.00 kg
Product Code	C-35
EAN	5906474350205
SKU	000077
IBB ID	9151

Product specification

Manufacturer	CEDAT	Unit	bag
Brand	cekol	EAN	5906474350205
Country of manufacture	Poland		

CEKOL C-35 is a high-quality compound for smoothening, levelling off and improving the surface of external building walls (facades).

It can be applied also in rooms, particularly those with high humidity levels (e.g. bathrooms, saunas, cool storage rooms). CEKOL C-35 enables achieving smooth surfaces. It is suitable for both manual and machine application.
