Product specification

Manufacturer	QBRICK SYSTEM	Unit	pcs
Colour	black	EAN	5901238255123

Qbrick System ONE Organizer L is the middle model from the family of modular ONE organizers, which can be combined with each other in many different ways. Organizer L has a patented Easy Access System, which, thanks to special connectors, allows easy access to each module without the need to unfasten them, which significantly improves work ergonomics.

As standard, Organizer L is equipped with 12 buckets for smaller accessories. Additionally, the contents of the organizer are protected against the ingress of water and dust through a flexible seal mounted in the polycarbonate cover.
