Product Code	325674700
SKU	4690
Advice IBB	
Application	For mortars for laying bricks, blocks, surfaces and internal plasters and as a bedding layer
IBB ID	4690

### Product specification

Manufacturer	DAY-AGGREGATES	Unit	plastic bag
Country of manufacture	United Kingdom	Norm	BS EN 13139 Aggregates for Mortar

### Building sand 25kg

Building sand is also known as mortar sand or soft sand

- Used to create a smooth easily worked mortar for laying bricks, blocks, paving and internal rendering/plastering
- As a bedding layer where a stone free sand is needed
