## Product specification

Manufacturer	COMENSAL	Unit	pcs
Brand	comensal bravo	Country of manufacture	Poland

A classic, strong and reliable construction container with a capacity of 45 l, made of durable, crack-resistant plastic

The tank has a handle on each side under the rim, thanks to which it can be transported by four people, even when it is filled with mortar.

The COMENSAL cassette is ideal for mixing and transporting both dry and wet mortars. It is used on the construction site, in the garden, at home and on the farm.
