

# King Super Crystal colorless glue 290ml

Brand	BORAMAX
Manufacturer	
Weight	0.35 kg
SKU	000932
Application	Perfect for building aquariums. Outdoor and indoor use.
IBB ID	10343

## Product specification

Manufacturer	BORAMAX	Unit	pcs
Brand	boramax	Colour	transparent

### KING SUPER CRYSTAL & ELASTIC 290ml

It is a completely colorless adhesive-sealant based on the latest technologies (MS of hybrid polymers).

Designed for bonding transparent materials (glass, plexiglass, polycarbonate, mirror) wherever it is important that the glue joint is invisible.

Regardless of weather conditions, the glue always remains colorless, transparent and flexible.

Perfect for building aquariums.

Adheres and seals most finishing materials on all substrates used in construction, including moist, wet and even under water without access to air.

It is resistant to weather conditions and water.

It does not corrode metals and does not contain solvents.

### PROPERTIES

For indoor and outdoor use

Replaces nails and screws

Paintable after the skin has formed

High thermal resistance from -40 °C to 90 °C!

Super Flexible

Bonding wet surfaces

For absorbent and non-absorbent substrates

Invisible binding

Free of silicones and solvents

Waterproof

Resistant to weather conditions
