

Fastener with pressure plate and metal nail

LMX10160

Manufacturer	
Weight	0.20 kg
Product Code	LMX10160(200)
EAN	5907704471813
SKU	7398
IBB ID	7398

Product specification

Manufacturer	WKREȚ-MET	Unit	pcs
EAN	5907704471813		

Universal connector for attaching Styrofoam and wool. Short expansion zone. Thanks to the new construction of the expansion zone, the connector can be installed in all categories of substrates while maintaining all strength parameters! The head of the metal pin is covered with plastic, low point thermal conductivity. Stem design prevents stem corrosion, sealing collar. The increased number of glue "pockets" on the pressure flange allows for better adhesion of the adhesive mortar. The design of the T-shirt increases the stiffness of the pressure collar.
