

Expanding foam quick-drying Pro 65L Gold 840ml

Brand	BORAMAX
Manufacturer	
Weight	0.75 kg
Product Code	GOLD-PPU1
EAN	5901738720039
SKU	000379
Application	It is characterized by a very short drying time, which significantly shortens the assembly time
IBB ID	8712

Product specification

Manufacturer	BORAMAX	Unit	pcs
Brand	boramax	EAN	5901738720039

BORAMAX 65 PROFESSIONAL GUN QUICK-DRY MOUNTING FOAM WITH 44% INCREASED EFFICIENCY

Professional one-component polyurethane foam with increased efficiency up to 65 LITERS per package!

It is characterized by a very short drying time, which significantly shortens the assembly time.

The foam is also available in a winter version.

Its specially modified formula allows operation at low ambient temperatures down to -10°C.

The foam should be applied using a special gun for applying polyurethane foams.

PROPERTIES

Efficiency of up to 65 liters!

Short initial hardening time

It seals, dampens, insulates and glues very well.

Resistant to fungi and mold

It does not distort the installed profiles

APPLICATION

Seals for the installation of windows and doors made of wood, PVC and aluminum

Pipe insulation and embedding,

Insulation and thermal insulation of roofs and flat roofs,

Sealing construction spaces and partition walls. The product has very good adhesion properties to most building materials such as wood and wood-based materials, brick, concrete, plaster and metal.
